Summary

Passionate React Developer with a BCA degree and currently pursuing an MCA. Skilled in building dynamic and responsive web applications using React.js, JavaScript (ES6+), HTML, CSS, and REST APIs. Completed the React module in a MERN Stack certification course, gaining hands-on experience in UI/UX optimization and API integrations. Excited to apply my skills in frontend development and contribute to innovative projects.

Technical Skills

Frontend: React.js, JavaScript (ES6), HTML5, CSS3, Bootstrap

State Management: Redux Toolkit

Version Control & Tools : Git, GitHub, VS Code

API Integration : REST APIs, RapidAPI

Soft Skills : Problem-Solving, Communication, Adaptability, Critical Thinking

Projects

ArtSpectrum (MERN Stack) View Code

- Developed a dynamic event booking platform with a user-friendly UI for seamless navigation.
- Implemented efficient API handling to manage artist listings, event bookings, and real-time updates.
- Enabled secure authentication and user role management for artists and event organizers.
- Designed a responsive and interactive interface for optimal user experience.

TrendCart (React.js + REST API) Live Demo

- Developed a fully functional e-commerce application with CRUD and cart management.
- Built a scalable e-commerce platform with user authentication and a seamless browsing experience.
- Ensured a seamless and responsive UI using Bootstrap and CSS.
- Utilized Redux Toolkit for efficient state management, ensuring seamless data flow and optimized performance.

StreamTube (HTML, CSS, JavaScript, RapidAPI) Live Demo

- Built a YouTube clone with HTML, CSS, and JavaScript.
- Integrated RapidAPI to fetch and display real-time video data.
- Implemented advanced search features and real-time video rendering for a responsive user experience.
- Focused on performance optimization and efficient API handling.

Education and Training

Bachelor Of Computer Applications, Gujarat University Oct 2021 – April 2024

Master Of Computer Applications, Babasaheb Ambedkar Open University Aug 2024 – Present

React Developer (Training) , Infolabz IT Services PVT. LTD. Ahmedabad Sep 2024 – Present

- Developed dynamic web applications using React.js and API integrations.
- Built responsive and optimized UIs with Bootstrap and CSS.
- Integrated state management using Redux Toolkit (RTK).
- Worked on API-driven projects, fetching and displaying data efficiently
